J F Kamp of Tide Lake was in town on Monday. He called on the News and added his name to our ever growing circulation

The Tide Lake school is now open. George Owens has been engaged as teacher and non-resident pupils will be accommodated.

Last Thursday Sam Tatsford of the Nicholson quarter of land from N. E. Stuart, and signed up for the Alderson News all in the same afternoon. Sam says he has a friend up at Bluegrass who is the leading mixed farmer of the district and that his friend drives a horse, a mule, an ox and a cow all on the same sulkey plow. Sam must be right.

On Monday at the Hat we noticed the following:—Cyril Swainson, Miss Swainson, Messrs Welford, Ferguson, McCauler and Crawford, all of Saffield, F. E. Rodman, of Braun Mr and Mrs Hugoblan, W J Douglas and Mrs Zimmerman, all of Tide Lake.

J. C. Murray of the Credit Foncier Co., Edmonton spent Monday in town.

Mrs E. Rorelund of Medicine Hat was the guest last week of Mrs C. F. Hildahl for a few days

The funeral of the late Mrs. T. R. Hoidge took place from the family residence Friday afternoon at 2 o'clock and was attended by many friends of the bereaved family.

The funeral service conducted by Rev. T. Taylor was very impressive. Several hymns suitable to the sad occasion were sung by those present with Miss Ethna Gish assisting at the Piano. Messrs R. H. Thornton, N. E. Stuart, C. F. Starr and Van D. Jones acted as Pallbearers. Mr. A. J. Drummond had charge of the funeral arrangements. The floral offerings included a beautiful Pillow from the Citizens of Alderson, a Wreath from the Scholars of the Public School and a Spray from Mr and Mrs A. J. Drummond. Interment took place at Alderson Cemetery.

CARD OF THANKS

On behalf of my daughter and myself, I wish to tender my most hearty appreciation and thanks to the kind friends whose many acts of kindness and words of sympathy have served to lessen the burden of care and sorrow during the trying period of sickness and bereavement.

T. B. Hoidge

Mr. and Mrs. J. W. Wise, Tide Lake leave to-night for an extended trip to Seattle and the coast.

The W. A.

The members of the W. A. of St. Mary's Church, spent a most afternoon on Wednesday, Jan. 5th as guests of Mrs Guy Hamilton and Mrs H. O. Ames at "Pleasant View Farm"

After the regular routine of business and sewing, all set down to a delightful six o'clock dinner, at the conclusion of which and in the midst of the best of New Year's wishes to all, Mr Elmer Dyvig very kindly drove all back to town.

The next meeting of the W. A. will be held, D. V. on Wednesday, January 26th at the residence of Mrs W. M. Cotter.

Bluegrass Shoots

Boss:—The day before Xmas eve to Mr. and Mrs John Lahd, a daughter. All doing well.

The residence, of Chancy Benjamin was the scene on Sunday night of a dandy party. O. E. Nerland was a chauffeur of a sleigh and of the young people of the district that landed in, bent on pleasure. Joe Lahd was there also Miss Bryson and the Lahd children, Jack Johnson and several others. Games of all descriptions were played, probably the most popular being a game entitled "How colls are cured" Joe Lahd made a very fine master of ceremonies, and Miss Ruth Benjamin was mistress of the same avocation.

Ole Hostad, took a sporting chance on the weather Tuesday, and with the mercury elated out of sight drove to Alderson.

A. E. Nerland hits the trail to Alderson, cold or hot. He took a load of wheat in on Tuesday.

George Ford brought home a fine big range last week as reported in the Shoots but sad to relate he did not bring the stove pipes and it has not been a very happy home since. The gold snap had to come along to take the joy out of life for George. The pipes went out by a neighbour on Wednesday.

The famous Joe Lahd drove to Alderson on Tuesday.

Dance at the School-house Friday night, Jan. 14th.

The Annual Meeting of the Carlsbad School District was held in the school-house on Saturday, Jan. 8th, in the afternoon. About seven or eight ratepayers attended. W. J. Hall was elected to take the place of Mrs. F. C. Woolven, whose term of election has expired. Mrs. Woolven has proven to be one of the best trustees ever had in her term of office. Always prompt in her attendance at the Board meetings she was also attentive to detail of the School management.

Lester Hanson is in Calgary taking a short course in Engineering.

The News acknowledges the gift of a substantial coal-seattle from the C. F. Starr Lumber Co. It fills a long want felt. Every now and then we toss up a quoin, not a coin, to see whether the Devil or the Pencil pusher has to fill it.

Billy Pallin is back in town. He has been residing in Stettler for some time.

Dr. Mickelberg, the well known Eye Specialist is registered at the Carlsbad for to-day, Thursday.

George M. Thompson, local Mgr. for the Finlay Lbr. Co. is now the Possessor of a Ford car. The car was brought down by J. T. Pick from Calgary. Pick had a pretty cold trip.

On Friday evening, Jan. 21st, at the Methodist Church there will be a Competition Social. All come for a good time. Silver collection.

The Ladies' Aid will meet at the Church on the afternoon of Wednesday Jan. 19th. It is hoped that all members will be present.

Louis Rhodes has changed the business of the Pioneer Meat Market from A. D. Thompson

The News regrets to hear that Chris Hildahl is confined to the house through illness.

Buy an Irrigated Farm FROM THE CANADIAN PACIFIC RAILWAY

BECAUSE Irrigation makes the farmer independent of rainfall and insures good crops, not occasionally, but every year. Irrigation makes possible the successful culture of alfalfa, the king of fodders, which insures best returns in dairying and mixed farming. Irrigation means intensive farming and close settlement with all the advantages of a densely populated agricultural community. Irrigation in the Canadian Pacific Railway Block is no longer an experiment, the year 1914 having absolutely demonstrated its success wherever intelligently applied. You can buy irrigated land from the Canadian Pacific Railway at prices ranging from \$35 to \$75 per acre, with twenty years' to pay and the privilege of a loan of \$2,000.00 for improvements (6% interest); no principal payment at the end of first and second years and no water rental for first year. Assistance is also given in supplying stock in approved instances. This is the most liberal offer of irrigated farm land of record. LOYALTY TO CANADA AND HER WORKSHOPS

Women Shoppers Can do Most For
"Made-in-Canada" When They
Are Making Purchases

The editor of the "Department Store Magazine," a United States publication, has a strong article on the "Made-in-America" movement, which is a feature of United States commercial life to-day. Speaking of the place that women occupy in the nation's purchasing, he says:

"Upon the great mass of intelligent American women, who daily stream through the doors of our forty-five hundred department stores, rests a heavy weight of responsibility. It is for them to say whether some of the greatest industries in the country shall suffer or whether they shall come through the crisis stronger and more prosperous than ever.

"America can make everything that is necessary to the life and happiness of any man or woman. The most luxurious and beautiful fabrics can be produced here. Our carpets and rugs imitate the cunning of the Oriental weaver and often surpass a work in originality of pattern. The furniture made in America is unsurpassed, and our glass and china compare favorably with the finest importations."

The remaining three paragraphs are also taken from Mr. Platt's article. But in each case we have substituted the word "Canada" for "America," as there is no doubt that what Mr. Platt says about the goods made in United States applies equally as well to those made in Canada. In fact there is an even greater reason why Canada should be loyal to the products of her own workshops and her own work-shops. Canada is a young country in the early stages of industrial development. It has a small population spread thinly over a large area. Unless all interests in Canada combine to promote the general welfare, our progress is sure to be much slower than we have been accustomed to during the future years of reconstruction which will inevitably follow the war.

Revised Version

"Made in Canada" should be the motto of every shopper who enters a store. It is more than a mere trade slogan; it is a precept of patriotism.

"Made in Canada" means happy factories in Canada; it means happy working people in Canada; it means that pay envelopes in thousands of Canadian homes on Saturday night, it means the banishment of the bugaboo of hard times and the return of prosperity for all of us despite the war. And after the war is over it means a greater Canada than ever before, a Canada that will supply the world and reap the reward of a higher patriotism than that which is being voiced by European cannon.

All this can be accomplished if every purchaser who enters a store will choose Canadian-made goods. The great merchants are eager to meet this demand, and it is up to the shopper to see that the good things made in Canada do not lie idle on the shelves.

OUR BUSINESS INSTINCT

It's Good For Canada to Buy Canadian Goods

In a democracy like Canada manufacturers and consumers meet on a common level. Each looks to the other to do his part in this Made-in-Canada campaign. We need no paternal government to advise us. We need no ten commercial commandments as they have in Germany. This is a land of liberty. We think and speak as we like in loyalty to our own commercial interest. If we don't recognize that buying things made in this country is good for our pockets, our homes or our businesses, we naturally buy things made somewhere else. It's because we are finding out for ourselves without any paternal commandments from the supreme bureau that it pays in every way to buy Canadian goods, that we are entering a campaign to do it. The German technique treats German consumers like a pack of children. The business sense of the average liberty-loving Canadian demands to be treated like a full-grown man. We don't need to be told that it's good for Canada that we buy goods made by Canadians. We know that. The same as we know that fresh air and good food are beneficial to the health. We don't even call it patriotism. It's just ordinary everyday, selfish business instinct.

It is practical patriotism to give the preference to goods "Made-in-Canada," and it is practical self-interest as well. Your money stays in Canada—lives up Canadian trade generally—and so helps to create a prosperity in which you share.

Peerless

Fred Ohman has gone to spend the winter with relatives in Montana

Melvin Fearing has returned to the Dakotas, due to the unfortunate result of age, his parents requiring him there; but he parted with Sunny Alberta with much regret.

Messrs Salm Wiseman and Robertson have purchased the threshing outfit offered for sale in Jenner the past couple of weeks.

The Xmas Tree entertainment held in Hagan valley school-house was a huge success. The building was crowded, an inimitable Santa Claus in the person of Neis Nunnenmaki, distributed the goodies. George Kimmursey sang the best of carols, and an excellent programme was rendered by the pick of the local talent.

Mr and Mrs N. McCracken, also Jim, have gone back to Ontario for a visit. Miss Kense McCracken, formerly the Medicine Hat, public school staff, is staying at the home ranch for a time.

J. E. Goldard finished his threshing operations around Barons and arrived home on Monday last. Free is en route overland with the tractor.

Mr and Mrs N. S. Nelson and family, Mrs J. E. Goddard and Earl, spent Sunday at J. L. Brown's.

Mr and Mrs Thomas G. Musgrove entertained a number of friends on a royal scale Xmas day. About thirty guests partook of their hospitality, and a most enjoyable time was spent.

Mr and Mrs Charles W. Goddard spent Xmas at G. Perdon's.

James Tribe is back again, after spending a few days in Calgary.

Peerless school has now closed and will not likely reopen till spring.

Mr and Mrs Duncan McCracken spent Xmas holidays with the latter's parents, Mr and Mrs John McIntosh near Barons.

Annual meeting of Peerless school district will be held on Saturday afternoon, January 8th.

Annual meeting of Peerless Union U. F. A. will also be held after the school meeting. Items of business include election of officers for 1918, election of delegates to annual convention, Calgary, establishment of a Rural Telephone Line, securing of stances in Jenner Co-operative Association, payment of membership dues in local union, suggestions as to what kind time should future meetings develop, etc.

Arrangements are being made for a special train through Jenner on January 17th to carry all devotees of visiting Calgary or of attending the big Annual Convention of the U. F. A. January 18th to 21st.

C J Steele is now owner of the Grain Exchange Barber Shop near his card.
